**Mission Hills Croquet
League Ladder**

INTRODUCING.....

A wonderful new concept for "pick up" games at Mission Hills...

...The plan is to have a singles ladder for each variation of the game that we play (American, Association, Golf, One-Ball).

...Each player would pay a small entry fee to be included on the ladder (mostly for sanctioning and Ben's time).

...Each ladder would need 8 players before we can start and will be seeded at random.

...Ladder allocation will be on **January 4**, allowing late registration until January 15 (late additions start at the bottom).

Once the ladder has started, players may challenge those above them for the chance to sneak ahead of them on the ladder.

---Challenges can be up to 3 spots above current ladder position.

---Players must play within one week of said challenge (exceptions at Ben's discretion)

---Games will be at a mutually convenient time

---One-Ball games will be to the peg, Golf Croquet will be first to 7, American will be 90 minutes, Association will be 2 hours.

---The losing player must play two additional games before challenging the victor

again.

The ladders will close in mid-March to allow for a final (TBD).

Players may play in as many ladders as desired, but must play at least **4** games to qualify for the final.

Entry information: send to Ben Rothman at CroquetPro@gmail.com
