New Players and Coaches,

Sunday, January 30th our croquet haven will be hosting a few (4-6) new players from San Diego and Pasadena Croquet Clubs. These players are brand new to the game with under 6 months experience.

We need between 4-8 new players to give them some competition in *AMERICAN RULES SINGLES*.

This is a rare **FREE TOURNAMENT** for our new players (our guests will be paying \$25 for the day).

This will be an amazing opportunity to work out any kinks in the rules or tactics against other beginners.

We will be coaching a little bit during play; so **it would be great to have a few patient coaches** to watch games.

Play will be from 9 a.m. or 10 a.m. (allowing for traffic) until 2 p.m. when we have Wine and Wickets!

Please let me know if you can help us grow participation in other southern California Croquet clubs.

See you on the lawns,

Ben
